### EDUCATION

#### Certification in Front-end Development 2017

Graduated with high honours at the training centre Image in Nîmes, France

#### 2-year technical degree in electrical engineering and computer science 2014-2016

University of Nice, France

#### French high-school diploma in science 2009-2012

Institute Emanuel D'Alzon in Nîmes, France

### INTERESTS

- Boxing, video games, gardening.
- Electronics (I enjoy doing small projects in my leisure time).
- Zoology, atomic physics (My favorite subjects for exhibitions and review reading).

### PROFILE

#### Career objective

Junior developer with a strong desire to learn and acquire new competencies, all the while confirming current skills. Uses a positive and enthusiast mindset to learn and develop his career. Competent in autonomous situations, but also thrives in groups and remains receptive to critique and advice from my peers. Aspires to become a React developer however, extremely motivated to fit the need and follow the technology trends.
